

SENIOR SCHOOL MASTER CLASSES

Master Classes are one hour sessions conducted once a week in term time. Each week they reteach, revise and reinforce the topics and areas of study that the students are dealing with in their classes at school.

OBJECTIVES

Master Classes offer students:

- ✓ Ongoing academic support
- ✓ More confidence at school
- ✓ A better chance of success in assessments
- ✓ Individualised help solving specific problems
- ✓ Small group classes

PREPARE TO DO BETTER.

NEXT ATARGET COURSES

EXAM PREPARATION AND REVISION PROGRAMS 15-18 April and 8-12 July

These classes focus on specific subject revision followed by a discussion on how this material is assessed in exam style questions. There is sufficient time within the program for teachers to model how to answer exam questions successfully as well as time for students to independently practice constructing their own answers. All our senior school teachers have significant marking experience and know what needs to be addressed to ensure students success in exams.
