JANUARY JUMP-START PROGRAM

The January Jump-Start Program is open to students from all Western Australian schools and will be held on the Christ Church Grammar School campus or online.

The program aims to:

- ✓ Teach, revise and reinforce sound Study Skills before the commencement of the new academic year.
- ✓ Revise the important components from the 2020 syllabus that are relevant to the new syllabus.
- ✓ Offer students a preview of what they can expect in their new courses in 2021.

ABOUT OUR TUTORS

The staff engaged to deliver these programs are experienced subject specialists. Some are heads of department, others are senior teachers and most have marking experience. They have all delivered similar programs in the past and the student feedback from these classes has always been excellent.

IMPORTANT

This program also caters for those students who have already commenced their new units in term four of the previous year.
